

How To Join

1. After making payment through PayPal an email will be sent to you inviting you to create an online account.
2. Send an email to the Southgate Treasurer (treasurer@houstonsouthgate.org) specifying a preferred user name. An account will be created and you will receive an email with a computer generated password for your initial login. Once you are logged in you can change it to something you'll remember!

You do not **have** to join! If you use PayPal, just ignore the invitation email. Your payment will still be processed and the Southgate Treasurer notified that your payment has been made.

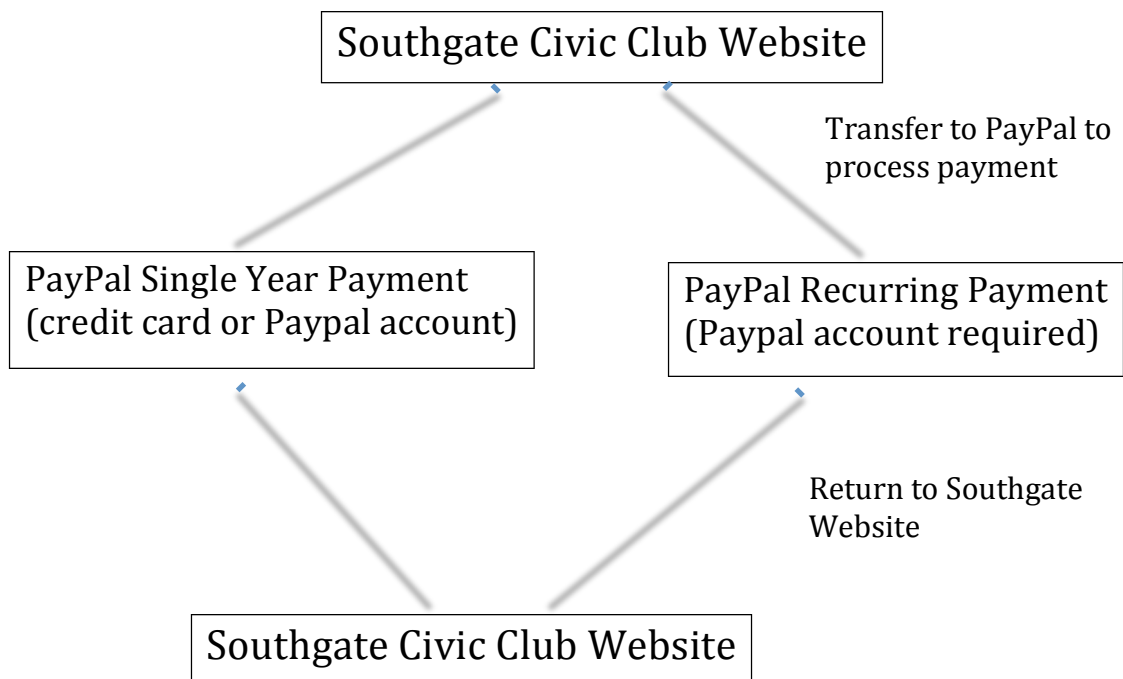

Advantages

1. If you pay yearly, the system will send you emails reminding you that your membership is expiring.
2. There will be a page of news that is accessible only to Southgate Civic Club members.

Possible problems with PayPal return email

1. The email doesn't arrive – check your Spam/Junk folder.
2. The link to add a password doesn't work. Email [webmaster@houstonsouthgate](mailto:webmaster@houstonsouthgate.org) and I will send you a computer generated email.
